

Let It Glow This Christmas

Welcome

Dear all,

Welcome to the BWG Foodservice Christmas Brochure for 2021.

It is so exciting to be looking forward to the festive season with a renewed sense of hope and optimism after what has been the most challenging environment our industry has faced in our lifetime. Christmas, and the wider festive season, is about waking up, feeling good and sharing that emotion with friends and family.

This Christmas, I am confident, will be a riot of colour, excitement and a fabulous time for the hospitality industry in particular. The challenges you have all faced over the last 18 months have been monumental and your response was nothing short of phenomenal. Through it all, where possible and practicable, you did your very best to stay positive, to adapt to meet the new challenges and continue to serve your customers. Now, with life returning to relative normality, with offices re-opened and the people returning to their routines there will be renewed interest in the hospitality and the foodservice industry.

Already, we can see that party bookings are back on the rise as people are ready to throw off the shackles of rolling lockdowns and embrace this most wonderful time of the year. More so than ever before.

As ever, this is the time of year when you truly shine as people turn to you and your establishments to make their Christmas outings all the more memorable and it is our privilege in BWG Foodservice to serve your needs this festive season, whatever they may be and we have prepared a Christmas brochure to meet all your requirements.

The BWG Foodservice Christmas Brochure is packed with added-value products for our customers, including a full range of chilled, frozen, ambient, disposables and seasonal ranges to get any commercial kitchen through this year's festivities.

Central to our offering is the unwavering commitment to supporting local Irish suppliers, ensuring that the provenance of products across the Christmas range is readily accessible to the more discerning customers, including vegan and gluten free options. From the fields of Athlone, our BWG exclusive beef brand, Glasan Farm, is a firm favourite with customers. Similarly, when it comes to treating ourselves over the festive season, we ensure we offer the latest seasonal trends and delectable desserts and bakery products through our relationships with Dublin's Mannings & Fusco Foods and Carlow-based bakery, Seery's, whose exclusive Chef's Kitchen pudding log dessert is a personal favourite.

These valued relationships with Irish suppliers is what backbones BWG Foodservice's best-in-class offering and contributes to a delectable and enjoyable Christmas.

I encourage you to take your time in perusing this Christmas Brochure and to familiarise yourself with all that BWG Foodservice has to offer.

On a personal note, I am very excited to see what this year's festive season will bring for us all and I am truly looking forward to celebrating this year's Christmas by supporting you and our wonderful hospitality industry.

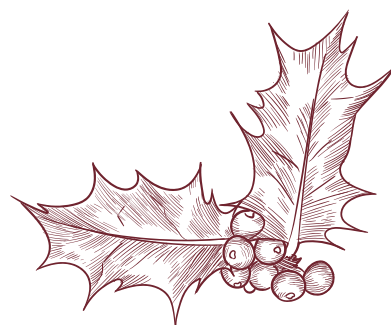

Finally, thank you for your custom in 2021 and for continuing to fight for the industry we all love. Stay safe and Happy Christmas from us all.

Spotlight

ON OUR SUPPLIERS

We have developed very strong relationships with indigenous Irish food suppliers who have worked with us to develop the exceptionally high standard of food and beverage offering.

Our exclusive Christmas desserts have been created by Coolhull Farm, a family-owned Irish company specialising in quality desserts, in conjunction with the BWG Foodservice team.

Together we have created a pre-portioned Christmas Pudding Cheesecake and an Individual Cheesecake Portion, showcasing both festive and on-trend flavours, to suit a variety of menus. These desserts were developed with the hospitality sector in mind, offering dessert solutions for ease of use whilst not sacrificing on flavour or quality.

Christmas Pudding Cheesecake 14 Portions

A vanilla cheesecake on a chocolate biscuit base with added Christmas pudding dried fruit. The mixed fruit is soaked in Guinness, rum and Irish whiskey so it delivers lovely seasonal flavour. The gold flakes and sugar crystals add a bit of seasonal sparkle!

Individual White Chocolate Cheesecake with Caramel Biscuit Crumble 110g

An indulgent single serve dessert of white chocolate cheesecake with a dulce de leche centre, topped with caramel biscuit crumble.

Evolved from concepts developed over her Aya as a child helping her Mum, Florrie Purcell set up The Scullery in 2004. Florrie credits her passion for food to her mother, who taught her the basics of

good cooking. Florrie has built on this foundation, to develop a range as diverse as it is delectable. Florrie is now a successful artisan producer of the finest quality gluten-free relishes, pickles, sauces, Christmas Puddings and cakes. The multi-award winning range is handmade in small batches delivering a consistent, delicious fresh flavour and colour and brings a contemporary twist to traditional recipes.
